Vacancy Announcement

- Title:** Pikyav Field Institute Program Manager
- Reports to:** Director of Natural Resources and Environmental Policy, or designee
- Supervises:** Pikyav Field Institute Division Coordinators, as assigned
- Location:** Department of Natural Resources, Orleans, California (Hybrid Remote/In-person)
- Classification:** Regular, Exempt or Non-Exempt, Part-Time (30-39 hr/week) or Full-Time, Negotiable at point of hire
- Salary:** \$30.14 to \$36.42 per hour to start, depending on education and experience

Summary: The Pikyav Field Institute Program Manager shall provide strategic leadership and direction for divisions of the Pikyav Field Institute integrated program area of the Department of Natural Resources Eco-Cultural Revitalization Branch, as assigned. This position shall serve in a program management, co-leadership and oversight capacity for the Department's Pikyav Field Institute programs, and shall support the development of self-sustaining programs, as appropriate. Incumbent shall work cooperatively with department managers, agencies, institutions and other partners to help achieve the goals and objectives of the Karuk Department of Natural Resources. Under the supervision of the Director of Natural Resources and Environmental Policy, or designee, this position is responsible for ensuring that all relevant projects balance Traditional Ecological Knowledge with Western Science in a manner consistent with Karuk customs, culture, and Indigenous principles in order to support and advance culturally appropriate intergenerational learning; direct coordination of academic research efforts to support sovereign tribal land and resource management strategies; and support tribal programs and partnerships that work to restore and maintain healthy ecosystems, tribal sovereignty, and community wellbeing.

Application Deadline: Open Until Filled

Applications are available at all Tribal Offices or on the Internet at www.karuk.us The Karuk Tribe's (TERO) Preference and Drug & Alcohol Policy apply. If selected applicants must successfully pass a drug screening test and be willing to submit to a criminal background check.

POSITION DESCRIPTION

Title: Pikyav Field Institute Program Manager

Reports To: Director of Natural Resources and Environmental Policy, or designee

Location: Department of Natural Resources, Orleans, California (Hybrid Remote/In-person)

Supervises: Pikyav Field Institute Division Coordinators, as assigned

Classification: Regular, Exempt or Non-Exempt, Part-Time (30-39 hr/week) or Full-Time, Negotiable at point of hire

Salary: \$30.14 to \$36.42 per hour to start, depending on education and experience

Summary: The Pikyav Field Institute Program Manager shall provide strategic leadership and direction for divisions of the Pikyav Field Institute integrated program area of the Department of Natural Resources Eco-Cultural Revitalization Branch, as assigned. This position shall serve in a program management, co-leadership and oversight capacity for the Department's Pikyav Field Institute programs, and shall support the development of self-sustaining programs, as appropriate. Incumbent shall work cooperatively with department managers, agencies, institutions and other partners to help achieve the goals and objectives of the Karuk Department of Natural Resources. Under the supervision of the Director of Natural Resources and Environmental Policy, or designee, this position is responsible for ensuring that all relevant projects balance Traditional Ecological Knowledge with Western Science in a manner consistent with Karuk customs, culture, and Indigenous principles in order to support and advance culturally appropriate intergenerational learning; direct coordination of academic research efforts to support sovereign tribal land and resource management strategies; and support tribal programs and partnerships that work to restore and maintain healthy ecosystems, tribal sovereignty, and community wellbeing.

Responsibilities:

1. Shall be responsible for administering the Karuk Tribe's Pikyav Field Institute integrated program area (Program) within the Eco-Cultural Revitalization Branch (Branch) of the Department of Natural Resources (Department).
2. Shall work closely with Department Staff to achieve strategies that progress the short- and long-term goals of the Program, including the development of self-sustaining programs as appropriate.
3. Shall supervise Program Coordinators as assigned and provide guidance in developing work

plans and associated timelines for each assigned division.

4. Shall ensure the maintenance and implementation of grants, agreements, contracts and compacts relevant to Program functions.
5. Shall contribute to, guide, and write Program-related grant proposals that will help to further develop Program capacity to achieve department goals.
6. Shall work with the Department's Administrative and Development Branch to assure the complete, accurate, and timely submission of items requiring administrative approvals.
7. Shall be responsible for the completion of Program-related reports, and brief Tribal Council on progress as directed.
8. Shall contribute actively in outreach opportunities that further the goals of the Program, as well as the overarching goals of the Branch and Department.
9. Shall be available for local and out of the area travel as required.
10. Shall attend all required meetings and functions as requested.
11. Shall be polite and maintain a priority system in accepting other position related job duties as assigned.

Qualifications:

1. Demonstrated success in securing grant awards preferred.
2. Demonstrated baseline knowledge of Karuk traditional food and fiber resources, including the types of management practices one may need to pursue in order to revitalize traditional practices, purposes, and uses of these materials.
3. Demonstrated ability to manage time well and work under stressful conditions with an even temperament.
4. Demonstrated ability to work effectively with researchers, educators, agency personnel, and the greater community in culturally diverse environments.
5. Experience related to traditional food procurement, processing, and preservation preferred.
6. Experience and knowledge related to traditional land management preferred.
7. Demonstrated ability to work effectively with Native American people in culturally diverse environments.
8. Displayed ability to establish and maintain harmonious working relationships with other employees and the public.
9. Demonstrated ability to understand and follow oral and written instructions.

Requirements:

1. Experience and/or education:
 - a. Bachelor's degree in Business Administration, Education, Nutritional Health, Native American Studies, English, Natural Resources, Agriculture, Forestry or related field and four (4) years' experience with two (2) years' supervisory experience; or
 - b. An equivalent combination of education and related experience will be considered.

2. Must have demonstrated experience in grant writing, budgeting, and possess extensive professional writing and mathematics skill.
3. Must be able to complete required training, meetings and functions as requested, and maintain a set work schedule (to be defined in collaboration with supervisor) in order to operate within a hybrid remote/in-person working environment.
4. Must have high respect for and fundamental understanding of Indigenous cultures, preferably that of the Karuk.
5. Must exhibit excellent communication, personnel management and supervisory capabilities.
6. Must be proficient in use of Microsoft Office professional suite (including Microsoft Excel and Word) and capable of developing complex spreadsheet applications for task tracking and reporting purposes.
7. Must be effective, efficient, productive, and timely in regard to coordinating teams and/or delegating tasks and producing multiple and measurable outcomes while working in a remote environment.
8. Must be responsible for using safe work practices, for following directives, guidelines and procedures and for assisting in maintaining a safe and secure work environment.
9. Must possess valid driver's license, good driving record, and be insurable by the Tribe's insurance carrier.
10. Must successfully pass a pre-employment drug screening test and criminal background check, as well as comply with the health requirements for working in local schools.
11. Must adhere to the policies and procedures of the Karuk Tribe.

Physical and Environmental Requirements: None specified.

Tribal Preference Policy: In accordance with the Indian Preference Act of 1934, (title 25, USC, Section 47) and the TERO Ordinance 93-0-01, Tribal Preference will be observed in hiring.

Veteran's Preference: It shall be the policy of the Karuk Tribe to provide preference in hiring to qualified applicants claiming Veteran's Preference who have been discharged from the United States Armed Forces with honorable and under honorable conditions.

Review Committee Approved: May 9, 2023
