are needed to see this picture.

Please consider and write brief responses to the following questions. There will be a number of applicants for only 7 positions, these questions are an important part of the hiring process for the Tribal Youth Crew of 2012. All applicants must also participate in an interview which is mandatory for consideration. Karuk Tribal Youth 16 to 21 are eligible.

APPLICANTS NAME: _____

Briefly describe why you are interested in working outdoors and learning about the Klamath Mountains.

An important goal of this position is to work as a team member. Describe your ability to work well in groups.

This position will require hard work, respect and a willingness to learn new skills, this is a job which you will be paid for. Please describe your ability to work “professionally”.

Describe an experience you have had, which will help you succeed in this position.

The Safety of the crew is key to the success of the program, however we will work in difficult and sometimes hazardous conditions. You must be able to hike over seven miles in a day, swim in

rivers and creeks and use hand tools. Please make a brief statement of your commitment to balance hard work in rugged settings with that of your safety.

Please describe your outdoor skills and experiences? [Have you been backpacking overnight, have you been rafting/kayaking, hunting, mushroom picking, collecting materials, firewood etc.]

Learning about the Natural History and Ecology of the Klamath Region, Karuk Traditional Cultural Practices, and Fisheries Restoration is a significant element in this program.. Describe what you hope to learn this summer about our region and how this will help you grow.

Summarize why are interested in this position, and why we should consider you.
