CANDIDATE FOR: Member at Large

CANDIDATE STATEMENT
(Will be printed as written)

Ayukii Fellow Tribal Members,

My name is Clifford McLaughlin and I would like to represent you as Member At Large for the Orleans area. I am a lifelong resident of this area and familiar with many people up and down the river.

I am concerned about the issues that the Karuk People face both now and in the future. Many tribal people continue to suffer with economic instability, rampant drug/alcohol and health issues, and/or inadequate housing. I would like to become an advocate for the people in my area for; better living conditions, better health, and a stable (and growing) economic future. I feel that I can represent you fairly and with a vision that is beneficial for all tribal members and their families.

I will appreciate your vote of confidence on Election Day. Yootva!
