

**NAME OF CANDIDATE:** Dora L Bernal-Davis

**TRIBAL #** 001516

**CANDIDATE FOR:** MEMBER AT LARGE (Orleans District)

My name is Dora Bernal-Davis, my father was the late Darvin E Davis Sr., and my mother was Barbara J Davis. My father was the Indian Medicine Man for the Karuk tribe. My father taught us that we all need to stick together and take care of our people, meaning the Karuk tribal members, especially respect our elders. If there is one thing that I can say I learned from my father it would be, listen and help others in need when others don't. He was always willing to help anyone in need, and invite them into being part of our family. If I do not step forward and use my experience to do some goods for the tribe I belong to, instead of working and improving other tribes I have no right to complain about the way things are being ran for our people. I know that I can help out on the boards as Member at Large with my experience and knowledge. If you vote for me and give me the chance to show you what I can do to help the Karuk people with the knowledge I know, you will not be disappointed. The Karuk tribal members are family, we need to take care of each other. If we don't take care of each other then no one will. I feel that, no one person should be treated differently, we should all be treated equally and do what ever we have to, too make our families stay together.

**Experience:** I have a 5+ years with housing experience and I am familiar with the HUD ordinance and how housing should be with Federal and State housing grants. I also have 10+ years in Human Resource/Accounting. My knowledge also pertains to setting up a casino from top to bottom; I ran a casino as General Manager, worked with Consultants from Nevada on setting up the machines, audit room, surveillance, and accounting system.
