

I, Charron "Sonny" Davis am running for Council Member Yreka District because I believe in my prayers and my Karuk people in all three districts Orleans, Happy Camp and Yreka. We have come a long ways in the last 13 years and we have a long ways to go yet. Better education for our younger people and better medical and to help all of our Elders, so I need all the Karuk People to vote for me, Sonny Davis on November 6<sup>th</sup> 2018.

Thank You

Yootva
