KARUK TRIBE HOUSING AUTHORITY REQUEST FOR LUMP SUM FIXED QUOTATION

SOLICITATION FOR LUMP SUM FIXED-PRICE QUOTATIONS BASED ON PRICE ONLY (Small Purchases of \$250,000 or less)

Due Date: Wednesday, July 26, 2023 by 5pm

Mandatory Site Visit: Wednesday June 28, 2023 at 1pm site visit with Doug Goodwin at (530) 643-1415

More Information: Doug Goodwin: (530) 598-3911 dgoodwin2@karuk.us

1. The Karuk Tribe Housing Authority (KTHA) requests lump sum fixed-price quotations for all necessary labor, materials, permits, and fees required to replace one single family home located at 257 Shoemaker Rd., Hoopa, Humboldt County, CA as outlined in the Scope of Work.
2. KTHA is requesting these quotations under the small purchase procedures. This is a less formal, simplified process which will help us to expedite our selection. Because KTHA is following this process, we will not be able to accept quotations that are more than \$250,000.
3. Quotations are invited from non-Indian as well as Indian-owned economic enterprises or organizations.
4. Quotations may be submitted by email, mail, or hand delivery. All quotations must be submitted to KTHA in writing and emailed to asupahan@karuk.us, mailed or hand delivered to PO Box 1159, 635 Jacobs Way, Happy Camp, CA 96039 by **Wednesday, July 26, 2023 by 5pm.**
5. The Scope of Work is as set forth on Appendix A, attached to this Solicitation. Anyone submitting a quotation for this work is encouraged to visit the job site to ascertain the nature and location of work and to satisfy itself as to the general and local conditions which can affect the work. A site visit can be made by appointment only with Doug Goodwin (530) 598-3911.
6. **Indian Preference.** Any firm seeking Indian preference in this award must provide evidence that it is not less than 51% Indian owned and controlled. If claiming this preference, please contact us immediately so that we can fax you a pre-qualification statement that you must fill out and return within two days of your receipt. KTHA will then review the statement and determine eligibility for preference.
7. **Award.** The contract will only be awarded to a responsive, responsible individual or firm. The contract will be awarded to a qualified Indian enterprise submitting the lowest responsive quotation if such quotation is within budgeting limits established for this solicitation and is within the limits identified in the KTHA Procurement Policy regarding Indian preference in contracting. If no responsive quotation by a qualified Indian enterprise is within the above-stated limits, then award will be made to the individual or firm with the lowest responsive quotation.
8. All quotations must contain a commitment to provide Indian preference in 1) subcontracting, 2) training, and 3) employment, and must contain a statement describing the methods that will be used to provide such preferences. This statement is part of the submitted quotation. This statement will be evaluated as part of the submitted quotation, and any quotation failing to contain such preference statement or failing to adequately address such preference requirements shall be deemed non-responsive. If you believe it is infeasible to provide Indian preference in subcontracting, training, or employment, you must include in your quotation a certification as to the reasons why.

9. The form of Contract which contains the terms and provisions of the contract agreement between KTHA and the individual or firm selected for this work is available for review upon request. By submitting a quotation, you hereby agree that if selected, you shall deliver to the Authority, within the time later designated by the Authority, a properly executed Contract and to be bound by all terms and conditions set forth therein, including but not limited to assurance of performance, completion dates, prevailing wage rates, warranties, other federal requirements, and other terms and provisions as set forth therein.
10. All quotations must commit to remaining open for at least 45 days.
11. The selected contractor will be responsible for paying all Tribal license fees and taxes, as well as permits that may be required, if any.
12. The successful individual or firm on this solicitation must comply with the Tribe's TERO Ordinance, including any licensing requirements. This includes, but is not limited to, paying a 2% TERO fee on the work to be performed. Tribal minimum wage rates shall apply. For a copy of the TERO Ordinance and more information, the Karuk Tribe TERO Director, should be contacted at (530) 493-1600 ext. 2030.
13. This solicitation does not commit KTHA to award a contract or to pay any costs incurred in the preparation of quotation or the procurements of supplies. KTHA reserves the right to reject any and all quotations or to re-solicit when it is deemed by KTHA to be in its best interest to do so.
14. If there are any questions, please contact **Doug Goodwin at (530) 598-3911 or dgoodwin2@karuk.us** KTHA will let you know the decision of the award.
