Request for Qualifications

For More Information: Randy White, (530) 493-1414 ext. 3113, rwhite@karuk.us
Proposal Deadline: Friday, July 28 no later than 5:00 (Pacific Standard Time)

The Karuk Tribe Housing Authority (KTHA) requests Statement of Qualifications from interested individuals to provide Planner/Coordinator services for grant: DR5380-0540-06R, Advance Assistance grant for Orleans, CA. The Planner/Coordinator will gather information and data from KTHA staff to research, develop, write, review, and edit grant/funding proposals. Respondent shall have demonstrated experience in grant writing, planning, and coordinating, including strong writing, editing, and proofreading skills, and documented success of receiving grants from multiple funders.

Questions relating directly to the RFQ process are to be directed in writing by email to Randy White, Security Officer III/Emergency Services Manager, rwhite@karuk.us.

General Information about KTHA

The Karuk Tribe Housing Authority (KTHA) was established in 1984 and currently manages over 220 low-income housing units in the communities of Yreka, Happy Camp, and Orleans located along the Klamath River in rural portions of Siskiyou and Humboldt Counties in California. As the Tribally Designated Housing Entity of the Karuk Tribe our mission is *to acquire and maintain assets. KTHA will strive to alleviate the acute shortage of decent, safe, and sanitary dwellings for Native American persons of low and moderate income. KTHA will promote and sustain the culture, education, language, health, welfare, self-sufficiency, and economic independence of its residents.*

Affordable housing activities administered by KTHA include low income and elder rental units, lease purchase units, emergency housing units, first time homebuyer loans, down payment assistance, student rent vouchers, elder/disabled/temporary/emergency housing vouchers, home rehabilitation and weatherization grants and loans, home improvement loans, home replacement grants, women's domestic violence transitional housing (operated by Tribe with DOJ/BIA funds), men's transitional (sober living) housing (operated by Tribe with SAMHSA funds), wellness centers with full scale gymnasiums and fitness centers in both Yreka and Happy Camp, computer center in Yreka, in-house construction crew, in-house Security Officers patrolling all three communities.

KTHA's primary funding source is the Department of Housing and Urban Development (HUD) Native American Housing and Self Determination Act (NAHASDA) Indian Housing Block Grant (IHBG). In addition to this funding stream KTHA has successfully leveraged millions of dollars in federal, state, and county resources in order to diversify and maximize services to eligible low-income Tribal families. Past and current grant sources include: Low Income Housing Tax Credits, New Markets Tax Credits, American Recovery and Reinvestment Act of 2009 (ARRA), Tribal Homeland Security, Department of Homeland Security, FEMA, Cal-OES, USDA Natural Resource Conservation Service, USDA Rural Development Section 504 Grants and Loans, HUD Indian Community Development Block Grant, Bureau of Indian Affairs Housing Improvement Program, and Section 184 Home Loans.

Scope of Work:

Task 1: Provide a comprehensive topographical mapping assessment of wildfire hazards adjacent KTHA Housing and surrounding areas of interest and prepare a listing of the hazards. The information data gathering process will need to utilize the 2021 KTHMP and information that is currently being updated, Cal-Fire Fire Hazard Severity Zone Maps and FEMA Maps, USFS Historical Wildfire Maps, Klamath and Six Rivers National Environment Assessments and Watershed Analysis Documents, the Karuk Tribes Integrated Ecosystem Management Plan, consultation with local Fire Safe Councils and the US Forest Service, and other relevant information, studies, historic traditional knowledge, and data.

Task 2: Utilizing the mapping assessment completed in Task 1 provide findings to the KTHA staff and determine what hazards are a serious threat to justify further evaluation.

Task 3: Using the analysis performed in Task 2 to evaluate the impacts to Tribal resources to develop a criterion to rank and prioritize wildfire hazard for mitigation. The ranking criteria determination will be based on risks to life and property, health and safety, environmental resources, Tribal economics, feasibility, public acceptability and other factors. The ranking criteria will be reviewed by the KTHA and other key stakeholders to the final ranking will be developed. Priority wildfire hazards for development of shovel-ready mitigation project plans will be selected from the highest-ranking hazards.

Task 4: With the KTHA staff identify potential mitigation projects to address the highest priority wildfire hazards selected in Task 3. Criteria will be developed to compare, rank, and select 6 mitigation projects for detailed planning. The criteria and evaluation process will consider a variety of factors including high level estimated costs (initial and ongoing); immediate and long-term effectiveness; environmental, cultural, and historic resource impacts and preservation. The KTHA will then finalize their selection for detailed planning

Task 5: With the KTHA staff develop detailed project plans for 3 mitigation projects that will address the highest priority wildfire hazards selected in Task 3.

5.1 Each detailed plan will describe the conceptual design, all project phases and steps, maps, plan, a breakdown of costs by task and category, and an accompanying narrative.

5.2 The map and plan will show the location, general layout and configuration of the mitigation project. Key features of the mitigation will be identified.

5.3 Tasks and cost-estimates will consider and address environmental, cultural, and historic preservation requirements.

5.4 The narrative will accompany each mitigation project plan will describe its purpose, function, key features, and a description of how the measure will be implemented with respect to design, regulatory permitting, and construction.

5.5 The 6 detailed mitigation project plans will also address ongoing maintenance requirements and environmental, cultural, and historic resource considerations.

Task 6: Prepare a final draft project report for the KTHA staff review and finalize a project report.
